Celebrating Our Men

## FATHERS' DAY

Residents and their families gathered on 19th June for a joyful Fathers' Day luncheon. The dining hall buzzed with conversation and laughter as they honoured that special man in their lives.

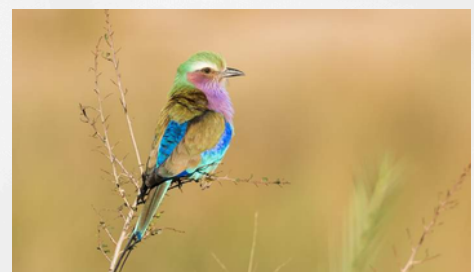

Our thanks to Capitol Caterers for preparing a superb four-course meal with all the trimmings.

## NOW THAT'S ENTERTAINMENT !

Singer and entertainer **Chris Coetzer**, one of South Africa's top three tenors, treated our residents to a memorable afternoon of music on 7th June. His lively personality and varied repertoire had everyone reminiscing and tapping along to much-loved songs from years gone by.

Concert pianist **Christopher Duigan** and guitarist **James Grace** delivered an outstanding performance on 29th June. James played new solo guitar works and Spanish favourites before joining Christopher for a popular piano-and-guitar set. It was a privilege to welcome them to Amberfield.

South African wildlife and bird enthusiast **Gary Gelling** is an active contributor to the BirdLife South Africa community. He is involved in wildlife observation, bird identification, and nature photography, regularly sharing sightings and helping to identify rare species. Gary visited Amberfield on 18th June and residents were enthralled by his slide show presentation on various birds and animals he has encountered in the Kruger National Park.

## CARE CENTRE HAPPENINGS

Care Centre residents enjoyed another busy month taking part in a soap and lip balm demonstration and then creating their own pamper sets.

They say grandma's recipe is always best, and our ladies proved it by making bottles of homemade marmalade from scratch. It was a lovely hands-on activity, filled with shared tips, treasured secrets, and delicious results.
